

## Vivicta - invoicing addresses

Please always send **electronic invoices** to all Vivicta companies, except those located **outside the EU**. If electronic invoicing is not possible, send **PDF invoices** to our email scanning mailboxes. **Paper format invoices** are the last option.

**Important:** Invoices must state the **correct legal name** and **mandatory reference information** (purchaser name or Purchase Order number). Without this, invoices cannot be processed for payment.

Most of our companies are available in Peppol Network (search by VAT number or Legal name)- [Peppol Directory - Search](#)
